

## Position Available in Statistics at Santiago, Chile

jueves, 04 de febrero de 2010

The Department of Statistics, Pontificia Universidad Católica de Chile, announces the opening of one tenure-track position at the Assistant Professor level, beginning August 2010 or March 2011. Candidates should have a doctoral degree in Statistics or a related field and exhibit research potential and a commitment to teaching. Appointees will be expected to pursue a vigorous research program and to teach three undergraduate/graduate courses (only two during the first two years. This position is financed by MECESUP grant PUC0802. For more information see <http://www.mat.puc.cl/> The Department of Statistics is the leading research group in Chile and offers an undergraduate career, a Master's, and a Ph.D. in Statistics. The Pontificia Universidad Católica de Chile is a highly selective institution and its students are among the top 5% in the country.

Email letter of application, including a statement of research interests, and curriculum vitae with publication list to [stats2010@mat.puc.cl](mailto:stats2010@mat.puc.cl). Send at least three letters of reference, relevant reprints/preprints, and transcripts to: Director Departamento de Estadística Pontificia Universidad Católica de Chile Casilla 306, Santiago 22, Chile.

For full consideration, complete application materials must arrive by April 30, 2010.
